INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of El Pasoans Fighting Hunger

Report on the Financial Statements

We have audited the accompanying financial statements of El Pasoans Fighting Hunger (a nonprofit organization), which comprise of the statements of financial position as of December 31, 2016 and 2015, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of El Pasoans Fighting Hunger as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

Pena Briones McDaniel + Co.

In accordance with Government Auditing Standards, we have also issued our report dated June 28, 2017, on our consideration of El Pasoans Fighting Hunger's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering El Pasoans Fighting Hunger's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the El Pasoans Fighting Hunger (the Organization), is presented to assist in understanding these financial statements. The financial statements and notes are representations of the Organization's management, who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Purpose

El Pasoans Fighting Hunger is a charitable corporation, formed on July 13, 2011. The Organization works to alleviate hunger in the El Paso, Hudspeth and Culberson Counties by securing donations of surplus food and grocery products for distribution through a network of charitable organizations dedicated to feeding the hungry.

The Organization is/was a partner distribution organization under West Texas Food Bank, a nonprofit corporation, and a sub-recipient of USDA food commodities and administrative costs passed through from the Food Bank. The Organization receives support from donations from individuals, corporations, and organizations. The Organization is dependent on their support in order to carry on its operations.

Effective July 1, 2016 the Organization became a contract member of Feeding America, an Arizona non-profit organization. The purpose of this Contract between Feeding America and the Organization is to establish the Member's Membership in the national Network of Feeding America, provide definition and guidance for the business relationship between the Member and Feeding America, foster a cooperative spirit, and improve the capacity of the Network to provide solutions to the problem of hunger in America.

Basis of Accounting and Presentation

The accompanying financial statements are presented on the accrual basis of accounting. The financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) 958, Financial Statements of Not-for-Profit Organizations. Under ASC 958, net assets, revenues and expenses, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting and Presentation (Continued)

Unrestricted Net Assets

Unrestricted net assets represent resources that are not subject to donor-imposed stipulations and over which the Board of Directors has discretionary control. Unrestricted net assets are used to carry out the operations of the Organization in accordance with its bylaws. The principal sources of the unrestricted net assets are donations from individuals and corporations. Net assets received and expended within the reporting period are reported in the Statements of Activities as unrestricted support or revenue.

Board Designated Net Assets

Board designated net assets represents funds that are subject to board sensitive restrictions.

Temporarily Restricted Net Assets

Temporarily restricted net assets are those net assets resulting from contributions and other inflows of assets whose use is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions pursuant to those stipulations.

Investments

The investments in marketable securities with readily determinable fair values are recorded at their fair values in the Statement of Financial Position. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities and Changes in Net Assets.

Accounts Receivable

Accounts receivable consist primarily of shared maintenance fees billed to agencies for services rendered. Accounts receivable are evaluated by management and amounts deemed to be uncollectible are charged against the allowance for doubtful accounts. The allowance is then adjusted to reflect an estimated reserve for future losses. No allowance for doubtful accounts was considered necessary for 2016 and 2015.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Unconditional Promises to Give

Contributions are recognized when the donor makes a promise to give the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increase in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

The unconditional promises to give are related to the Organization's capital campaign.

The Organization uses the allowance method to determine uncollectible promises receivable. The allowance is based on management's analysis of specific promises made.

Inventory

Inventory consists of donated food, purchased food and USDA commodities. Inventory is stated at the lower of cost of market value. Donated food is reported at an average price of \$1.70 per pound based on a valuation done by Feeding America at the national level for 2016 and 2015. Purchased food is valued at cost. USDA commodities are valued based on published USDA fair market values.

Property and Equipment, net

Property and equipment are stated at cost, if purchased, or at fair market value, if donated. Depreciation is computed by using the straight-line basis over the estimated useful lives of assets, which ranges from 3 to 40 years. The cost of maintenance and repairs is charged to expense as incurred; significant renewals and betterments are capitalized. The Organization capitalizes property and equipment in excess of \$2,000.

Restricted and Unrestricted Support and Revenue

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted for future periods or donor-restricted for specific purposes are reported as temporarily restricted or permanently restricted support that increase those net asset classes. When a donor-stipulated time restriction ends or a purpose restriction is accomplished, the restricted net assets are reclassified to unrestricted net assets and are reported in the Statement of Activities as net assets released from restriction. If a restriction is fulfilled in the same time period in which the contribution is received, the contribution is reported as unrestricted.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

Revenues are recognized in the accounting period in which they become measurable and available to finance expenditures of the fiscal period.

In-Kind Contributions

In-kind contributions, which are donations of goods, services, and materials, are recognized as support and revenue in the Statement of Activities in the applicable year of donation. In-kind contributions are recorded at their estimated fair market value on the date of receipt. The Organization received donated goods, services, and materials of \$72,550 and \$56,579 for 2016 and 2015, respectively. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Volunteer services which do not meet those criteria's are not recognized in the financial statements. Volunteer hours totaled approximately 21,682 and 16,250 hours for 2016 and 2015, respectively. See footnote #4 for the donated food.

Functional Expense Allocation

Functional expenses have been allocated between program, fundraising, and administrative expenses in the Statement of Activities and Schedule of Functional Expenses based upon direct charges and expense allocations, using criteria established by management.

Income Taxes

El Pasoans Fighting Hunger is a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. Generally, tax years that remain subject to examination for three years after filed remain open to examination. 2013 through current year remain open to examination.

Concentrations of Credit Risk Arising from Cash Deposits in Excess of Insured Limits

The Organization maintains cash balances at two financial institutions. Accounts are insured by the Federal Deposit Insurance Corporation's (FDIC) up to \$250,000. The Organization's uninsured balance totaled \$286,744 and \$227,469 for 2016 and 2015, respectively. The Organization has not experienced any loss in such accounts, nor do they anticipate any loss.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts. Accordingly, actual results could differ from those estimates.

2. INVESTMENTS

Gain (loss) on investments	<u>\$</u>	3,255	\$	(10,957)	

3. FAIR VALUE MEASUREMENTS

FASB ASC 820 Fair Value Measurements, establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 – Unadjusted quoted prices in active markets for identical assets.

Level 2 – Quoted prices for similar assets in active market; quoted prices for identical or similar assets in inactive markets; inputs than are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Significant unobservable inputs.

The valuation used for the Organization's cash and investments was fair value determined based on the unadjusted quoted price in the active market, Level 1. See footnote 2.

4. INVENTORY

Inventory consisted of the following as of December 31, 2016 and 2015:

		2016		2015

7. NOTE PAYABLE

Note payable was a \$900,000 promissory note payable, with an original maturity of April 2013 with a fixed interest rate of 6%. The note was renewed in April 2014 with an interest rate of 4.75% was due October 2016. Interest-only payments of \$2,863 are due monthly, with \$100,000 principal payments made on April 15, 2016. The remaining principal and unpaid interest are due in a balloon payment upon maturity which is October 31, 2016. The note is secured by property located at 9541 Plaza Circle and secured by a board member. In May 2016, the note was renewed and increased the building promissory loan up to an additional \$1,000,000 (maximum available principal amount of \$1,500,000) with an interest rate of 4.75%. The Organization may request disbursements of the new funds from time to time until a "Draw Deadline" that will expire at the close of business on May 31, 2017. The additional loan amount is to replace the roof at the property located at 9541 Plaza Circle. Interest only payments are due monthly for a nine month period with minimal annual principal reductions of \$100,000. At maturity in May 2021, the entire amount of principal and accrued interest remaining unpaid will be due and payable in full as a final balloon payment.

The balance on the note was \$869,837 and \$600,000 as of December 31, 2016 and 2015, respectively. Interest expense was \$35,837 and \$29,701 for the years ended December 31, 2016 and 2015, respectively.

	\$	869,837	\$	3,137

8. CAPITAL LEASES

The Organization has acquired an asset under the provision of long-term leases. For financial reporting purpose, minimum lease payments relating to the assets have been capitalized in equipment. The monthly payment is \$531.71 and expires on July 2017. Depreciation of the leased property is included in depreciation expense.

9. RELATED PARTY

In July 2012, the Organization entered into a Partner Distribution Organization (PDO) agreement with West Texas Food Bank (WTFB) to improve the Organization's capacity to provide solutions to the hunger problem in El Paso and the surrounding region. Effective January 1, 2013, the Organization officially separated from West Texas Food Bank (WTFB), however, the PDO agreement is still in effect. Assets and inventory were transferred and the Organization become financially responsible for all revenues and expenses held by WTFB as of this date.

Effective July 1, 2016, the Organization established a Member's Membership in the national Network of Feeding America. This Member Contract supersedes the Feeding America Member Contract entered into by and between the Member and Feeding America dated October 1, 2009.

10. COMMITMENTS AND CONTINGENCIES

Through the normal course of operations, the Organization receives contributions and other pledges from various entities. These activities may be subject to audit by donors, the purpose of which is to ensure compliance with conditions precedent to providing such funds. Management believes that the liability, if any, for any requirements which may arise as a result of such audits, would not be material.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016 AND 2015

11. TEMPORARILY RESTRICTED NET ASSETS

Substantially all temporarily restricted net assets related to contributions received and pledges for specific programs and purposes will be satisfied after year-end. Temporarily restricted net assets are as follows:

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of El Pasoans Fighting Hunger

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of El Pasoans Fighting Hunger (a nonprofit organization), which comprise the statement of financial position as of December 31, 2016, and the related statements of activities, functional expense and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 26, 2017.

Internal Controls over Financial Reporting

In planning and performing our audit of the financial statements, we considered El Pasoans Fighting Hunger's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of El Pasoans Fighting Hunger's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether El Pasoans Fighting Hunger's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

Peter Brienes McDaniel + Co

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of El Pasoans Fighting Hunger

Report on Compliance for Each Major Federal Program

We have audited El Pasoans Fighting Hunger's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of El Pasoans Fighting Hunger's major federal programs for the year ended December 31, 2016. El Pasoans Fighting Hunger's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of El Pasoans Fighting Hunger's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about El Pasoans Fighting Hunger's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of El Pasoans Fighting Hunger's compliance.

Opinion on Each Major Federal Program

In our opinion, El Pasoans Fighting Hunger complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2016.

Report on Internal Control over Compliance

Management of El Pasoans Fighting Hunger is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered El Pasoans Fighting Hunger's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of El Pasoans Fighting Hunger's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
